If *you* become seriously ill or *injured* or develop a medical condition (including being diagnosed with an *epidemic* or *pandemic* disease) while on *your trip*, we will pay for local emergency transportation from the location of the initial incident to a local *doctor* or local medical facility. If we determine that the local medical facilities are unable to provide appropriate medical treatment:

1. Our emergency call centre will consult with the local *doctor* to obtain information necessary to make appropriate decisions regarding *your* overall medical condition;
2. We will identify the closest appropriate available *hospital* or other appropriate available facility, make arrangements to transport *you* there, and pay for that transport; and
3. We will arrange and pay for a *medical escort* if we determine one is necessary.

The following conditions apply to items 1, 2, and 3 above:

If we did not authorize and arrange the transportation, we will only pay up to what we would have paid if we had made the arrangements. We will not assume any responsibility for any transportation arrangements that we did not authorize or arrange;

- c. All decisions about *your* repatriation must be made by medical professionals licensed in the countries where they practice;

Transportation will be on a *travel carrier* in the same class of service that was originally booked. Available *refunds* for unused tickets will be deducted from the total amount payable.

The following conditions apply:

- a. This benefit is only available while *you* are hospitalized, or if *you* die, and if *you* do not have an adult *family member* travelling with *you* that is capable of caring for the *travelling companions* under the age of 18 or dependents;
- b. You or someone on *your* behalf must contact *us*, and *we* must make all transportation arrangements in advance. Unless otherwise specified in the descriptions for the individual insurance or service coverages, the insurance applies worldwide, in conjunction with at least one flight booking made on the Air France home page.

Multiple insurance and claims against third parties

1. In the event of (voluntary or mandatory) multiple insurance, we provide *your* benefits in a subsidiary capacity, subject to there being an identical clause in the other *insurance contract*. In such a case the legal provisions of double insurance apply.
2. If *you* are entitled to benefits under any other (voluntary or mandatory) insurance contract, cover is restricted to that part of *our* benefits that exceeds the cover provided under the other *insurance contract*. Overall costs are reimbursed once only.

4. If *you* or an entitled person have been compensated by a liable third party or the third party's insurer, any compensation due under this *insurance contract* is rendered void. If a claim is made against *us* instead of the liable party, *you* or the entitled person must concede *your/his* liability claims up to the extent of the compensation received from *us*.
