Only the insurance policy and General terms and conditions of insurance (GTC) are authoritative for the content and scope of the rights and obligations derived from the insurance contract.

#### Who is the insurer?

The insurer is AWP P&C S.A., Saint-Ouen (Paris), Wallisellen Branch (Switzerland), hereinafter referred to as Allianz Travel. The company headquarters are at Richtiplatz 1, 8304 Wallisellen.

#### Who is the policyholder?

The policyholder is the person designated as such in the insurance policy.

#### What risks are insured and what is the scope of the cover?

The insured risks under the respective contract, scope of the cover and the cover restrictions are set out in the insurance policy and General terms and conditions of insurance (GTC). The following is a summary of the various insurance components offered, provided for ease of understanding:

#### Cancellation costs

– Assumption of the cancellation costs owed by the insured person if the booked trip is cancelled as a result of serious illness, a serious accident, death or another event that is listed as insured in the GTC. If the trip starts late due to an insured event, the additional costs of the trip will be assumed and any missed part of the stay will be covered (max. up to the equivalent to the cancellation costs) instead of the benefits referred to above.

#### Assistance

– Organisation and assumption of costs of transport to the nearest hospital, repatriation to a hospital near the place of residence (with or without medical accompaniment), supervision of any accompanying minors or a hospital visit for another person, if the insured person during the journey becomes seriously ill or is seriously injured or if there is a medically confirmed, unexpected worsening of a chronic condition.

Organisation and assumption of costs of the extra return journey of the insured person if breaking off the trip is due to serious illness, serious accident, death or unexpected worsening of a chronic condition of an accompanying person, a non-travelling person who is closely related to the insured person or the deputy at work or as a result of another insured event listed in the GTC.

Organisation and assumption of the costs of cremation outside the country of residence and return of the coffin or urn to the insured person's last place of residence.

#### Baggage

– Compensation for items brought on trips by the insured person for his/her own personal needs that have been stolen, damaged or destroyed during the trip or for items entrusted to a transport company that the company loses or damages during transit.

#### Which persons are insured?

The insured persons are in each case essentially set out in the insurance policy and the General terms and conditions of insurance (GTC).

#### Temporal and geographical scope of the insurance cover

The insurance cover basically applies worldwide during the insurance period. Local restrictions in the Special provisions for the individual insurance components as well as economic or trade sanctions or embargoes of the United Nations, the European Union, the United States of America or Switzerland that contradict the insurance cover remain reserved.

#### What are the main exclusions?

The following list contains only the most important insurance cover exclusions. Further exclusions are contained in the exclusionary clauses "Non-insured events and benefits" of the General terms and conditions of insurance as well as the ICA:

- An event is not insured if it has already occurred when the policy is taken out, the trip is booked or the pre-booked service begins or if its occurrence was foreseeable for the insured person when the policy was taken out, the trip was booked or the pre-booked service began.
- Events are not insured if the insured person has triggered them in the following ways:
  - abuse of alcohol, drugs or medicines;
  - suicide or attempted suicide;
  - participation in strikes or unrest;

The same applies to cancellation by a travel company, or official instructions (except as expressly covered under section II A: Cancellation costs), or illness/injury that is not confirmed medically at the time of the occurrence or psychological reactions to potential dangers, such as fears of civil unrest, terrorism, natural disasters, or fear of flying.
- Under the component **Assistance**, in particular no benefits shall be provided if the Allianz Travel emergency call centre did not approve these in advance; the same applies e.g. if the responsible travel agency does not or only partially renders the contractual performances or if the insured person has travelled against advice in connection with an epidemic/pandemic of their home country's government or of local authority at their trip destination.
- The following, in particular, are not insured under the **Baggage** component: computer hardware, mobile phones, navigation devices, all types of software, valuables, which are left in a vehicle; film, photo and video equipment; jewellery and furs, for as long as these are travelling by public transport and come within the responsibility of the travel company as well as glasses (for damage or destruction); the same applies for damage due to the insured disregarding the general duty of care; leaving property, even for a short time, in a public place outside of the direct personal control of the insured person or mislaying or losing property or leaving it behind.

The following list contains only the main obligations. Other obligations are set out in the General terms and conditions of insurance and the ICA:

- For **Assistance**, the insured event must be reported immediately to the Allianz Travel emergency call centre. The call centre must approve any assistance measures and the assumption of any costs involved. The same applies to any agreement to private treatment as part of the cover for Private Medical.
- Under cover for **Baggage**, the cause, circumstances and extent of an event must be certified immediately and in detail (by the nearest police station in the event of theft or robbery, by the responsible third party or the travel/hotel management in the event of damage or the relevant public transport company in the event of loss or late delivery). The amount of the loss must be proven by original receipts.
- In any event, the insured person is obliged to do everything to mitigate the loss and help resolve the claim; for losses caused by injury or illness, the insured person must ensure that the attending doctors are made exempt from their duty of confidentiality vis-à-vis Allianz Travel.
- If the person with the right to claim violates his/her obligations, Allianz Travel can refuse or reduce its benefits.

The beginning and end of the insurance are defined in the application and detailed in the insurance policy.

### Right of revocation

The policyholder may revoke the contract within a period of 14 days from the application to conclude the contract or the declaration of acceptance thereof by notifying the insurer in text form (e.g. letter, e-mail). The right of revocation is excluded for provisional cover commitments and contracts with a duration of less than one month.

### How does Allianz Travel treat data?

When processing personal data essential to the transaction of insurance business, Allianz Travel observes the Swiss Data Protection Act (FADP). If necessary, Allianz Travel will use the claims form to obtain the necessary approval from the insured person to process the data.

The personal data processed by Allianz Travel includes data relating to the conclusion of the contract and the policy/claims handling. The information processed mainly comprises the policyholder's or insured person's details from the insurance application and the claims statement. In the interests of all policyholders, data may also be exchanged with previous insurers and reinsurers within and outside Switzerland. Allianz Travel also processes personal data in connection with product enhancements as well as for its own marketing purposes.

In order to offer value-for-money comprehensive insurance cover, some of the benefits offered by Allianz Travel are provided by legally independent companies both domestically and abroad. These may be Allianz Group companies or cooperation partners. For the purposes of fulfilling its contractual obligations, Allianz Travel must exchange data both within and outside the group.

Allianz Travel stores data electronically or physically in compliance with the legal provisions.
