Phone UAE +971 4 270 8705  
WhatsApp +971 56 216 4563
Please give us your name, age and your policy number. Say that you are insured with Al Nisr Al Arabi Insurance Company.

Below are some of the ways the 24-hour emergency medical assistance service can help.

- **Confirmation of payment**
  We will contact hospitals or doctors abroad and guarantee to pay their fees, providing you have a valid claim.

- **Repatriation**
  If our medical advisers think it would be in your medical interests to bring you back to your home or to a hospital or nursing home in your country of residence, you will normally be transferred by regular airline or road ambulance. Where medically necessary in very serious or urgent cases, we will use an air ambulance. We will consult the treating doctor and our medical advisers first. If you need to go to your country of residence early, the treating doctor must provide a certificate confirming that you are fit to travel. Without this the airline can refuse to carry any sick or injured person.

You can contact us at any time day or night. You will be answered by one of our experienced assistance coordinators who you should give all relevant information to. Please make sure you have details of your policy before you phone.
