WHEN YOUR COVERAGE BEGINS AND ENDS

You are only eligible for coverage if we accept your request for insurance. Your insurance contract's coverage effective date and coverage end date are indicated in your insurance policy. The insurance contract is effective at 00:00 on the day after we receive the order and you pay the full premium. The order must be received and the full premium must be paid on or before the departure date.

Coverage is only provided for losses that occur while your insurance contract is in effect.

Except for one-way and same-day return trips, the departure date and return date that you provided at time of purchase are counted as two separate days of travel when we calculate the duration of your trip.

Your insurance contract ends on the coverage end date listed in your insurance policy. However, there are situations where your insurance contract may end on a different date. If your insurance contract was purchased with a one-way booking, your coverage end date will be the scheduled return date for your trip, as shown on your travel documents (not exceeding 30 days from the departure date shown on your travel documents). Additionally, your insurance contract will end on the earliest of:

1. At 23:59 on the day you file a trip cancellation claim with us;
2. At 23:59 on the day you end your trip, if you end your trip early;
3. At 23:59 on the day you arrive at a medical facility for further care if you end your trip due to a medical reason; or
4. At 23:59 on the 90th day of the trip.

However, if your return travel is delayed due to a covered reason, we will extend your coverage period until the earlier of when you are able to return to your point of origin or primary residence, or until you arrive at a medical facility for further care following a medical repatriation or trip interruption.

Please note that this insurance contract applies for a specific trip and cannot be renewed.

If body parts were missing or could not be used in part or in full before the *accident*, the already existing level of disability will be deducted from the degree of disability determined according to the criteria above.
- g. Compensation will only be paid for psychological or nervous disorders, if they can be traced to an organic disease of the nervous system caused by the *accident*.
- h. If the same event leads to the death or disability of several persons insured with *us*, the benefits to be paid by *us* are limited to CHF 10,000,000 for all persons insured with *us*. If the claims exceed this amount, this sum will be applied proportionally taking into account the agreed individual maximum benefit.

GENERAL PROVISIONS

Geographical scope

Unless otherwise specified in the descriptions for the individual insurance or service coverages, the insurance applies world wide, in conjunction with at least one flight booking made on the Singapore Airlines home page.

Multiple insurance and claims against third parties

1. In the event of (voluntary or mandatory) multiple insurance, *we* provide *your* benefits in a subsidiary capacity, subject to there being an identical clause in the other insurance contract. In such a case the legal provisions of double insurance apply.
2. If *you* are entitled to benefits under any other (voluntary or mandatory) insurance contract, cover is restricted to that part of *our* benefits that exceeds the cover provided under the other insurance contract. Overall costs are reimbursed once only.
3. If *we* provide benefits in spite of a subsidiarity situation, these benefits count as an advance and *you* will cede *your* claims against the third party (voluntary or mandatory insurance) to *us* to the extent of those benefits.
4. If *you* or an entitled person have been compensated by a liable third party or the third party's insurer, any compensation due under this *insurance contract* is rendered void. If a claim is made against *us* instead of the liable party, *you* or the entitled person must concede *your*/his liability claims up to the extent of the compensation received from *us*.

Limitation period

Claims under the *insurance contract* expire five years after the occurrence of the event giving rise to the obligation to pay benefits.

Place of jurisdiction and applicable law

1. Lawsuits against *us* may be brought before the court at the company's registered office or at the Swiss place of residence of *you* or the entitled person.
2. The Swiss Insurance Contract Act (ICA) applies in addition to these provisions.

Hierarchy of regulations

1. The descriptions for the individual insurance coverages take precedence over the General provisions.
2. In the event of linguistic differences between the French, English and German GTC, the German version will always apply where any doubt exists.
