You will only pay us the premium for your policy, and you will not pay us a fee for arranging this on your behalf. We are paid for our services to you by the insurance company, AWP P&C SA. The nature of such payment is a mixture of commission and other fees based on our costs for administering your policy.

7. Are we covered by the Financial Services Compensation Scheme (FSCS)?

The levels of cover may vary depending on where you travel (whether in your home country or overseas).

You may already possess alternative insurance for some or all of the features and benefits provided by this travel insurance product. It is your responsibility to investigate this.

STA Travel Limited has only provided you with information and has not provided you with any recommendation or advice about whether this product meets your specific insurance demands and needs.

Important information

Thank you for taking out STA Travel insurance with us.

Your booking confirmation shows the sections of the policy you have chosen, the people who are covered and any special terms or conditions that may apply.

Your policy does not cover everything. You should read this policy carefully to make sure it provides the cover you need. If there is anything you do not understand, you should call STA Travel Limited on 0333 321 0099, or contact your issuing store.

Insurer
Your STA Travel insurance is underwritten by AWP P&C SA and administered in the UK by Allianz Global Assistance.

How your policy works
Your policy and booking confirmation is a contract between you and us. We will pay for any claim you make which is covered by this policy and happens during the period of insurance. Unless specifically mentioned, the benefits and exclusions within each section apply to each person insured.

Certain words have a special meaning as shown under the heading Definition of words. These words have been highlighted by the use of bold print throughout the policy document.

Information you need to tell us
There is certain information that we need to know as it may affect the terms of the insurance cover we can offer you.

You must, to the best of your knowledge, give accurate answers to the questions we ask when you buy your STA Travel insurance policy. If you do not answer the questions truthfully it could result in your policy being invalid and could mean that all or part of a claim may not be paid.

If you think you may have given us any incorrect answers, or if you want any help, please call us as soon as possible and we will be able to tell you if we can still offer you cover.

Cancellation rights
If your cover does not meet your requirements, please notify us within 14 days of receiving your booking confirmation and return all your documents for a refund of your premium.

You should contact your issuing store.

If during this 14 day period you have travelled, made a claim or intend to make a claim then we can recover all costs that you have used for those services.

Please note that your cancellation rights are no longer valid after this initial 14 day period.

Policy excess
Under some sections of your policy, you will have to pay an excess. This means that you will be responsible for paying the first part of the claim for each person insured, for each section, for each incident. The amount you have to pay is the excess. The medical excess waiver add on removes the excess under section 2 completely.

Home visits
Single trip policies with over a six month (182 day) duration allow you to return home once during your journey without voiding the cover.

There is no cover for the cost of returning home and there is no cover under any section of the policy during the time you arrive in your home country and the time you leave the final departure point in your home country to resume your journey.

The above excludes any return home if it is part of a claim being made for Emergency medical expenses, Repatriation or Curtailment.

Trip extension
If you extend your journey, you may also be able to extend your period of insurance up to the maximum limit of 730 days, by paying the appropriate extra premium and meeting the required criteria.

You must contact STA Travel Limited on 0333 321 0099 before your existing policy expires.

We will decide whether or not we will extend your cover depending on:
• any changes to your health (new or existing medical conditions);
• any claims you have made or are likely to make.

Financial Services Compensation Scheme (FSCS)
For your added protection, the insurer is covered by the FSCS. You may be entitled to compensation from the scheme if the insurer cannot meet its obligations. This depends on the type of business and the circumstances of the claim.

Insurance cover provides protection for 90% of the claim, with no upper limit. Further information about the compensation scheme arrangements is available from the FSCS, telephone number 0800 678 1100 or 020 7741 4100, or by visiting their website at www.fscs.org.uk.

Governing law
Unless agreed otherwise, English law will apply and all communications and documentation relating to this policy will be in English. In the event of a dispute concerning this policy the English courts shall have exclusive jurisdiction.

Contracts (Rights of Third Parties) Act 1999
We, the insurer and you do not intend any term of this contract to be enforceable by any third party pursuant to the Contracts (Rights of Third Parties) Act 1999.

24-hour emergency medical assistance

Please tell us immediately about any serious illness or accident abroad where you have to go into hospital or you may have to return home early or extend your stay because of any illness or injury. If you are unable to do this because the condition is life, limb, sight or organ threatening, you should contact us as soon as you can. You must also tell us if your medical expenses are over €500. If you are claiming for a minor illness or accident you should, where possible, pay the costs and reclaim the money from us when you return. You can call 24 hours a day 365 days a year or email.

Phone: UK +44 20 8666 9387 Fax: UK +44 20 8603 0204
Email: medical@allianz-assistance.co.uk

Please give us your age and your policy number. Say that you are insured with STA Travel insurance.

Below are some of the ways the 24-hour emergency medical assistance service can help.

Confirmation of payment
We will contact hospitals or doctors abroad and guarantee to pay their fees, providing you have a valid claim.

Repatriation
If our medical advisers think it would be in your medical interests to bring you back to your home or to a hospital or nursing home in your home country, you will normally be transferred by regular airline or road ambulance. Where medically necessary in very serious or urgent cases, we will use an air ambulance. We will consult the treating doctor and our medical advisers first. If you need to go home early, the treating doctor must provide a certificate confirming that you are fit to travel. Without this the airline can refuse to carry any sick or injured person.

You can contact us at any time, day or night. You will be answered by one of our experienced assistance co-ordinators who you should give all relevant information to. Please make sure you have details of your policy before you phone.

Reciprocal health arrangements

European Health Insurance Card (EHIC)
• The EHIC entitles you to reduced-cost, sometimes free, medical treatment that becomes necessary while you are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway.
• The card gives access to state-provided medical treatment only. Remember, this might not cover all the things you would expect to get free of charge from the NHS in the UK. You may have to make a contribution to the cost of your care.
• You may apply for an EHIC online at www.ehic.org.uk or by calling 0300 330 1350. Application forms are also available from the Post Office.

Note
The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to your home country or for a relative to stay or fly out to be with you. In a medical emergency you may have no control over the hospital you are taken to and the closest hospital may be private.

Australia
• If you are travelling to Australia you can enrol in Medicare which will entitle you to subsidised hospital treatments and medicines. You can do this by contacting a local Medicare office in Australia.
• All claims for refunds under the Medicare scheme must be made before you leave Australia. For more information on Medicare visit: www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au.

If you make use of these arrangements or any other worldwide reciprocal health arrangement which reduces your medical expenses, you will not have to pay an excess.

Health declaration and health exclusions

These apply to the Cancellation or curtailment charges and Emergency medical and associated expenses sections.

It is very important that you read the following.

Exclusions relating to your health
1 You will not be covered for any directly or indirectly related claims (see note at the end of this section) arising from the following if in the 12 months before taking out this insurance or booking your journey (whichever is later). you:
   a have been prescribed medication;
   b have received treatment or attended a doctor for any medical condition;
   c have attended a hospital or a clinic as an out-patient or in-patient;
   d have been referred for tests, investigations, treatment, surgery or are awaiting results;
   e have been diagnosed as having a terminal illness.

Each person insured by us will still be covered for any unrelated medical condition(s) and other sections of cover subject to the terms and conditions of this policy.

2 You will not be covered if you travel against the advice of a doctor or where you would have been advised not to travel if you had sought their advice before beginning your journey.

3 You will not be covered if you know you will need medical treatment or consultation at any medical facility during your journey.

4 You will not be covered for any directly or indirectly related claim if, before your journey, a doctor diagnosed that you have a terminal condition.

5 You will not be covered if you were waiting for medical treatment or consultation at any medical facility or were under investigation for a medical condition when your policy was issued.

6 You will not be covered if you are travelling specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment.

If we are unable to cover a medical condition, this will mean that any other person insured by us will not be able to make a claim arising from the medical condition(s). This may even apply if the person with the medical condition(s) purchases cover from another provider.

Exclusions relating to the health of someone not insured on this policy, but whose health may affect your decision whether to take or continue with your journey.

You will not be covered for any directly or indirectly related claims (see note at the end of this section) arising from the health of a travelling companion, someone you were going to stay with, a close relative or a business associate if at the time your policy was issued:
• you were aware they have been receiving medical treatment or consultation at any medical facility for a medical condition in the last 12 months;
• you were aware they have been awaiting medical treatment or consultation at any medical facility or have been under investigation for a medical condition;
• you were aware that a doctor had diagnosed them as having a terminal condition, or that their medical condition was likely to get worse in the next 12 months.

Note
Indirectly related claims
An indirectly related claim means a medical problem that is more likely to happen because of another medical problem you already have. Sometimes these conditions can lead to the development of other conditions. For example if you:
• suffer from asthma, chronic obstructive pulmonary disease or other lung disease, you are more likely to get a chest infection.
• have high blood pressure, high cholesterol or diabetes, you are more likely to have a heart attack or a stroke.
• have osteoporosis, you are more likely to break or fracture a bone.

1. You are a resident of the UK, Channel Islands, Isle of Man or Republic of Ireland.

3. You have a valid booking confirmation.
4. You accept that we will not extend the period of insurance if the original policy plus any extensions have either ended, been in force for longer than 730 days or you know you will be making a claim.
5. You contact us as soon as possible with full details of anything which may result in a claim and give us all the information we ask for. Please see section 'Making a claim' on page 8 for more information.
6. You accept that no alterations can be made to the terms and conditions of the policy, unless we confirm them in writing to you.

1. Cancel the policy if you tell us something that is not true, which influences our decision as to whether cover can be offered or not.
2. Cancel the policy and make no payment if you, or anyone acting for you, make a claim under this policy knowing it to be dishonest, intentionally exaggerated or fraudulent in any way, or if you give a false declaration or deliberate mis-statement when applying for this insurance or supporting your claim. We may in these instances report the matter to the police.

4. Take over and deal with, in your name, any claim you make under this policy.

6. With your or your Personal Representative’s permission, get information from your medical records to help us or our representatives deal with any claim. This could include a request for you to be medically examined or for a postmortem to be carried out in the event of your death. We will not give personal information about you to any other organisation without your specific agreement.
7. Send you home at any time during your journey if you are taken ill or injured. We will only do this if the doctor treating you and our medical advisers agree. If there is a dispute, we will ask for an independent medical opinion.
8. Not accept liability for costs incurred for repatriation or treatment if you refuse to follow advice from the treating doctor and our medical advisers.
9. Only refund or transfer your premium if you decide that the policy does not meet your needs and you have contacted us within 14 days from the date you receive your policy and booking confirmation. We can recover all costs that you have used if you have travelled or made a claim or intend to make a claim.
10. Not to pay any claim on this policy for any amounts covered by another insurance or by anyone or anywhere else, for example any amounts you can get back from private health Insurance, any reciprocal health agreements, transport or accommodation provider, home contents insurer or any other claim amount recovered by you. In these circumstances we will only pay our share of the claim.
11. If you cancel or cut short your journey for any reason other than those specified in Section 1, all cover provided on your policy will be cancelled without refunding your premium.
12. Ask you to pay us back any amounts that we have paid to you which are not covered by this policy.
