Infant cover

Your children (including foster children) aged 2 and under, are covered free of charge for sections 1 and 2 only, providing they travel with **you** and live at the same address.

Journey limits (annual multi-trip cover only)

Annual multi-trip cover is for short trips of 42 days (Europe) or 60 days (Worldwide) or less per trip only. There is absolutely no cover offered by this policy whatsoever for trips which are longer than these durations per trip. This would include not insuring **you** for any part of a trip that is longer than 42 days (Europe) or 60 days (Worldwide) in duration.

Important information

Thank you for taking out STA Travel insurance with us.

Your booking confirmation shows the sections of the policy you have chosen, the people who are covered and any special terms or conditions that may apply.

Your policy does not cover everything. You should read this policy carefully to make sure it provides the cover you need. If there is anything you do not understand, you should call STA Travel Limited on 0333 321 0099, or contact your issuing store.

Insurer

Sections 1-14 and 16-22 of **your** STA Travel insurance are underwritten by AWP P&C SA and administered in the **UK** by Allianz Global Assistance. Section 15 is underwritten by certain underwriters at Lloyd's and is provided by International Passenger Protection Limited.

How your policy works

Your policy and booking confirmation is a contract between **you** and **us**. **We** will pay for any claim **you** make which is covered by this policy and happens during the **period of insurance**. Unless specifically mentioned, the benefits and exclusions within each section apply to each **person insured**.

Certain words have a special meaning as shown under the heading 'Definition of words'. These words have been highlighted by the use of bold print throughout the policy document.

Information you need to tell us

There is certain information that **we** need to know as it may affect the terms of the insurance cover **we** can offer **you**.

You must, to the best of **your** knowledge, give accurate answers to the questions **we** ask when **you** buy **your** STA Travel insurance policy. If **you** do not answer the questions truthfully it could result in **your** policy being invalid and could mean that all or part of a claim may not be paid.

If **you** think **you** may have given **us** any incorrect answers, or if **you** want any help, please call **us** as soon as possible and **we** will be able to tell **you** if **we** can still offer **you** cover.

Cancellation rights

If **your** cover does not meet **your** requirements, please notify **us** within 14 days of receiving **your** booking confirmation and return all **your** documents for a refund of **your** premium.

You should contact **your** issuing store.

If during this 14 day period **you** have travelled, made a claim or intend to make a claim then **we** can recover all costs that **you** have used for those services.

Please note that **your** cancellation rights are no longer valid after this initial 14 day period.

Policy excess

Under some sections of **your** policy, **you** will have to pay an **excess**. This means that **you** will be responsible for paying the first part of the claim for each **person insured**, for each section, for each incident. The amount **you** have to pay is the **excess**. The excess waiver **add on** removes the **excess** under all sections of the policy completely.

Home visits

Single trip policies with over a six month (182 day) duration allow **you** to return **home** once during **your journey** without voiding the cover. Study Abroad cover allows **you** to return **home** three times without voiding the cover.

There is no cover for the cost of returning **home** and there is no cover under any section of the policy during the time **you** arrive in **your home** country and the time **you** leave the final **departure point** in **your home** country to resume **your journey**.

The above excludes any return **home** if it is part of a claim being made for Emergency medical expenses, Repatriation or Curtailment.

Trip extension (Single trip policies only)

If **you** extend **your journey**, **you** may also be able to extend **your period of insurance** up to the maximum limit of 730 days, by paying the appropriate extra premium and meeting the required criteria.

You must contact STA Travel Limited on **0333 321 0099** before **your** existing policy expires.

We will decide whether or not **we** will extend **your** cover depending on:

- any changes to **your** health (new or existing medical conditions);
- any claims **you** have made or are likely to make.

Financial Services Compensation Scheme (FSCS)

For **your** added protection, the **insurer** is covered by the FSCS. **You** may be entitled to compensation from the scheme if the **insurer** cannot meet its obligations. This depends on the type of business and the circumstances of the claim.

Insurance cover provides protection for 90% of the claim, with no upper limit. Further information about the compensation scheme arrangements is available from the FSCS, telephone number **0800 678 1100** or **020 7741 4100**, or by visiting their website at **www.fscs.org.uk**.

Privacy statement

Your medical records will be held privately and **you** will be able to access them 24 hours a day, seven days a week.

When **you** book an appointment and speak to a **doctor** online, details of **your** medical history will be noted during **your** consultation, including allergies and medication and this information will help them when making their decisions in diagnosing or treating **you**.

Each time **you** talk to one of Push Doctor's online GPs, they will make notes, adding these to **your** medical records. With Push Doctor access to **your** medical records is free and always available to **you** in just a few clicks in My Account.

To make it easier for everyone, Push Doctor will automatically send updates to **your** NHS held medical records, so that everyone is kept in the picture about **your** health. However, if for any reason **you** want to keep **your** Push Doctor medical records private, **you** can. **You** have the choice not to share **your** information and can quickly activate this by selecting the option in My Account.

If **you** do not have an NHS **doctor** to send **your** medical records to, **we** will hold them securely so that **you** have them to hand should **you** need them.

24-hour emergency medical assistance

Please tell **us** immediately about any serious illness or accident abroad where **you** have to go into hospital or **you** may have to return **home** early or extend **your** stay because of any illness or injury. If **you** are unable to do this because the condition is life, limb, sight or organ threatening, **you** should contact **us** as soon as **you** can. **You** must also tell **us** if **your** medical expenses are over **£500**. If **you** are claiming for a minor illness or accident **you** should, where possible, pay the costs and reclaim the money from **us** when **you** return. **You** can call 24 hours a day 365 days a year or email.

Phone: **UK +44 20 8666 9387** Fax: **UK +44 20 8603 0204**

Email: **medical@allianz-assistance.co.uk**

Please give **us your** age and **your** policy number. Say that **you** are insured with STA Travel insurance.

Below are some of the ways the 24-hour emergency medical assistance service can help.

Confirmation of payment

We will contact hospitals or **doctors** abroad and guarantee to pay their fees, providing **you** have a valid claim.

Repatriation

If **our** medical advisers think it would be in **your** medical interests to bring **you** back to **your home** or to a hospital or nursing home in **your home** country, **you** will normally be transferred by regular airline or road ambulance. Where medically necessary in very serious or urgent cases, **we** will use an air ambulance. **We** will consult the treating **doctor** and **our** medical advisers first. If **you** need to go home early, the treating **doctor** must provide a certificate confirming that **you** are fit to travel. Without this the airline can refuse to carry any sick or injured person.

You can contact **us** at any time, day or night. **You** will be answered by one of **our** experienced assistance co-ordinators who **you** should give all relevant information to. Please make sure **you** have details of **your** policy before **you** phone.

Reciprocal health arrangements

European Health Insurance Card (EHIC)

- The EHIC entitles **you** to reduced-cost, sometimes free, medical treatment that becomes necessary while **you** are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway.
- The card gives access to state-provided medical treatment only. Remember, this might not cover all the things **you** would expect to get free of charge from the NHS in the **UK**. **You** may have to make a contribution to the cost of **your** care.
- **You** may apply for an EHIC online at www.dh.gov.uk/travellers or by calling **0300 330 1350**. Application forms are also available from the Post Office.

Note

The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to **your home** country or for a **relative** to stay or fly out to be with **you**. In a medical emergency **you** may have no control over the hospital **you** are taken to and the closest hospital may be private.

Australia

- If **you** are travelling to Australia **you** can enrol in Medicare which will entitle **you** to subsidised hospital treatments and medicines. **You** can do this by contacting a local Medicare office in Australia.
- All claims for refunds under the Medicare scheme must be made before **you** leave Australia. For more information on Medicare visit: www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au.

Health declaration and health exclusions

These apply to the Cancellation or curtailment charges, Emergency medical and associated expenses and Personal accident sections.

It is very important that you read the following and if necessary declare any existing medical conditions to us.

Exclusions relating to your health

- 1 **You** will not be covered for any directly or indirectly related claims (see note at the end of this section) arising from the following if in the 12 months before taking out this insurance or booking **your journey** (whichever is later), **you**:
 - a have been prescribed medication;
 - b have received treatment or attended a **doctor** for any medical condition;
 - c have attended a hospital or a clinic as an out-patient or in-patient;
 - d have been referred for tests, investigations, treatment, surgery or are awaiting results;
 - e have been diagnosed as having a terminal illness.

Unless

You have bought **your** policy in an STA Travel store, online or over the phone and the medical condition(s) has (have) been declared to and accepted by **us** in writing. This facility is not available if **you** have purchased the study abroad, sports trip or winter sports trip policy and no cover for existing medical conditions can be provided.

You should call the STA Travel medical line on **020 8603 9573** if:

- **you** need to declare a medical condition;
- **you** develop a medical condition after **your** policy was issued;
- **your** existing condition changes after **your** policy was issued;
- **you** are unsure whether a medical condition needs to be declared or not.

The confidential helpline will be able to confirm if cover can be provided for **your** medical conditions and whether any extra premium is required. If **you** need to make a claim arising from a medical condition that has not been declared and accepted by **us**, it is unlikely that **your** claim will be paid.

Each **person insured** by **us** would still be covered for any unrelated medical condition(s) and other sections of cover subject to the terms and conditions of this policy.

- 2 **You** will not be covered if **you** travel against the advice of a **doctor** or where **you** would have been advised not to travel if **you** had sought their advice before beginning **your journey**.
- 3 **You** will not be covered if **you** know **you** will need medical treatment or consultation at any medical facility during **your journey**.
- 4 **You** will not be covered for any directly or indirectly related claim if, before **your journey**, a **doctor** diagnosed that **you** have a terminal condition.
- 5 **You** will not be covered if **you** were waiting for medical treatment or consultation at any medical facility or were under investigation for a medical condition when **your** policy was issued.
- 6 **You** will not be covered if **you** are travelling specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment.

If **we** are unable to cover a medical condition, this will mean that any other **person insured** by **us** will not be able to make a claim arising from the medical condition(s). This may even apply if the person with the medical condition(s) purchases cover from another provider.

Exclusions relating to the health of someone not insured on this policy, but whose health may affect your decision whether to take or continue with your journey.

You will not be covered for any directly or indirectly related claims (see note at the end of this section) arising from the health of a travelling companion, someone **you** were going to stay with, a close **relative** or a **business associate** if at the time **your** policy was issued:

- **you** were aware they have been receiving medical treatment or consultation at any medical facility for a medical condition in the last 12 months;
- **you** were aware they have been awaiting medical treatment or consultation at any medical facility or have been under investigation for a medical condition;
- **you** were aware that a **doctor** had diagnosed them as having a terminal condition, or that their medical condition was likely to get worse in the next 12 months.

Note

Indirectly related claims

An indirectly related claim means a medical problem that is more likely to happen because of another medical problem **you** already have. Sometimes these conditions can lead to the development of other conditions. For example if **you**:

- suffer from asthma, chronic obstructive pulmonary disease or other lung disease, **you** are more likely to get a chest infection.
- have high blood pressure, high cholesterol or diabetes, **you** are more likely to have a heart attack or a stroke.
- have osteoporosis, **you** are more likely to break or fracture a bone.
- have or have had cancer, **you** are more likely to suffer with a secondary cancer.
