DO I REALLY WANT TRAVEL INSURANCE?

WHY TRAVEL INSURANCE?

Everybody needs help sometime in their life and it pays to have that help on hand when you really need it. Imagine if you had a ski accident, didn't know where to get the right hospital treatment, needed a medical escort Home, or got robbed in a foreign country – would you know what to do?

We've been there and seen it all, so we understand the type of cover and help you need when you travel. We are easily contactable 24/7 and can help no matter where you are in the world. This type of help is just a small price to pay compared to the thousands of dollars worth of unexpected bills you could get. You can't afford to travel without it!

WHAT ELSE?

You might think you'll be okay in another country, but foreign doctors often don't speak English, medical standards aren't the same as back Home and accidents do happen when you're on the move.

When you ring us for help, you speak with our highly-trained emergency medical and travel team. And, we've got offices all around the globe. When you're in trouble, we call upon our worldwide network of medical staff and logistics experts to provide you with a local human touch in every corner of the world.

We are just like the travellers we help – we have a fond appreciation for travel and the different cultural experiences it brings. It's this passion, coupled with our team's knowledge and experience that allows you to get the best help, whether it's medical assistance, medical and travel advice, logistical help, claiming assistance or just a reassuring voice on the end of the phone.

It's not all just about medical cover though. The simple things can ruin your Trip if you don't have the right protection just as much as the big things. You'll find we cover emergency transport and accommodation costs; Trip cancellation; travel delay and cover for your lost, stolen or delayed baggage*.

Anything can happen any time, so let us handle the worry while you enjoy your Trip.

NOT SURE HOW IT ALL WORKS?

Your STA Travel Adviser is here to help you, so just ask.

***Please refer to the terms, conditions, limits and exclusions of this product outlined in this Policy Wording.**

THE AMOUNT YOU PAY TOWARDS A CLAIM (EXCESS)

In the event of a claim, you may be required to pay an amount towards that claim. This amount is called an Excess. The amount you pay may vary depending on the plan purchased, and whether you have chosen an option to vary the level of Excess.

The Excess which applies to your policy will be shown on your Certificate of Insurance.

In some circumstances, we may require you to pay an additional Excess for some medical conditions. We will inform you in writing if this Excess applies.

This is only a summary of how Excesses will be applied and does not form part of the policy terms and conditions. Please see '**Policy Conditions**' on page 26 for further details.

THINGS WE NEED TO TELL YOU

EXTENDING YOUR TRIP

You may extend your cover free of charge if you find that your return to New Zealand has been delayed because of one or more of the following:

- A bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or Luggage and Personal Effects, is delayed; or
- The delay is due to a reason for which you can claim under your policy (subject to Allianz Partners written approval).

However, if you would simply like to be insured for longer than the original Period of Insurance, you must purchase a new policy through STA Travel prior to the expiry of your original policy.

Please note that if you purchase such a policy it will not be an extension of the previous policy. If STA Travel accepts your application for the new policy, a new Period of Insurance will commence and you will be issued with a new Certificate of Insurance. The Period of Insurance on any Certificate of Insurance cannot be longer than 12 months.

Cover cannot be extended:

- under **Section 16 Accidental Death** for any period in excess of 12 months from the start date shown on your Certificate of Insurance, in any circumstances;
- For any Pre-existing Medical Condition, unless it is listed under the heading '**Pre-existing Medical Conditions which we may cover with no additional premium payable**' on pages 7 to 9, and you have not been hospitalised (including day surgery or emergency department attendance) for that condition in the 24 months prior to application for the extension. This applies even if cover for your Pre-existing Medical Condition was provided under the original policy;
- For any medical conditions you suffered during the term of your original policy;
- Where you have not advised Allianz Partners of any circumstances that have given (or may give) rise to a claim under your original policy.

COOLING-OFF PERIOD

If you decide that you do not want the policy, you may cancel it within 15 business days after you are issued your Certificate of Insurance and Policy Wording, provided you have not started your Trip and you do not want to make a claim or to exercise any other right under the policy. You will be given a full refund of the premium you paid when exercising your cooling-off right.

After this period, you can still cancel your policy but we will not refund any part of your premium if you do.

ADDITIONAL POLICY INFORMATION

To properly understand the policy's significant features, benefits and risks you need to carefully read:

Part 1 –The Cover (pages 1 to 14) which contains:

- the benefit limits provided under each plan in the "Benefits Table" pages 3 to 5;

- The "Words with Special Meanings" (pages 21 to 24).

CHANGE OF CIRCUMSTANCES

During the Period of Insurance, you must tell us immediately of any material change in the circumstances surrounding the subject matter of this insurance that:

- increases the risk we are insuring, or
- alters the nature of the risk we are insuring.

Once you have told us, we may immediately change the terms of the policy, or cancel it. If you fail to tell us, we may apply these changes retrospectively from the date you ought to have reasonably told us.

YOUR DUTY OF DISCLOSURE

When you apply for insurance or alter this policy, you have a duty at law, to disclose to us all material facts. A material fact is one that may influence a prudent insurer in deciding whether or not to accept the cover and, if so, on what terms and conditions and for what premium.

Examples of information you may need to disclose include:

- anything that increases the risk of an insurance claim;
- any criminal conviction subject to the Criminal Convictions (Clean Slate) Act 2004;
- if another insurer has cancelled or refused to insure or renew insurance, has imposed special terms, or refused any claim;
- any insurance claim or loss made or suffered in the past.

These examples are a guide only. If there is any doubt as to whether a particular piece of information needs to be disclosed, this should be referred to us.

If you fail to comply with your Duty of Disclosure it may result in:

- this policy being avoided retrospectively with the effect that the policy never existed;
- this policy being cancelled;
- the amount we pay if you make a claim being reduced; or
- us refusing to pay a claim.

CORRECTNESS OF STATEMENTS AND FRAUD

If any claim under this policy is in any respect fraudulent, or if any false declaration is made or false or incorrect information is used in support of any claim, then we can, at our sole discretion, not pay your claim and cancel your cover under this policy from the date that the incorrect statement or fraudulent claim was made to us.

FAIR INSURANCE CODE

Hollard are a member of the Insurance Council of New Zealand and adhere to the Fair Insurance Code, which provides you with assurance that we have high standards of service to our customers. A copy of the Fair Insurance Code is available from the Insurance Council of New Zealand website: <http://www.icnz.org.nz/fair-insurance-code>

LIMITATION OF COVER

Notwithstanding anything contained in this policy wording we will not provide cover nor will we make any payment or provide any service or benefit to any person or party where providing such cover, payment, service or benefit would expose us to or violate any applicable trade or economic sanction or any law or regulation.

ABOUT YOUR PREMIUM

You will be told the premium payable for the policy when you apply. It is based on a number of factors such as your destination(s), length of Trip, number of persons covered,

your age, the plan and any additional cover selected. The higher the risk, the higher the premium is.

Your premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST) in relation to your policy. These amounts are included in your Certificate of Insurance as part of the total premium.

Below is a guide on the impact of these factors on the assessment of risk, and therefore your premium.

- Plan – Plan A International, which provides more cover, costs more than the domestic plans.
- Destination – higher risk regions cost more.
- Age – higher age groups cost more.
- Excess – the higher the Excess the lower the premium.
- Duration – the longer your Trip and Period of Insurance the more your policy usually costs.
- Extra cover Options – additional premiums apply.
- Extra cover for Pre-existing Medical Conditions – an additional premium may apply.

PART 3 – POLICY WORDING

The Policy Wording tells you what you are covered for. We set out what We Will Pay and what We Will Not Pay under each Section in the event of a claim.

You must also check **‘General Exclusions that Apply to All Claims’** on pages 53 to 56 for other reasons why we will not pay.

In some cases the Certificate of Insurance and/or endorsements issued by us may vary the terms, limits, exclusions and conditions of this document.

See **‘Words with Special Meanings’** on pages 21 to 24 for the meanings of words that apply to all Sections.

You only have cover under a Section if the Benefits Table on pages 3 to 4 shows that there is cover for the Section under the Plan you have selected as specified in your Certificate of Insurance.

The most we will pay for all claims under each Section in total is shown in the Benefits Table for the Plan you have selected. Sub-limits may also apply to particular types of losses or claims.

The cover provided is subject to terms, limits, exclusions and conditions of your policy.

It is a condition of this policy that at the time of purchasing the policy:

- you are not aware of any circumstance which is likely to give rise to a claim.
- you are a permanent resident of New Zealand and have not commenced your Trip and your Trip commences and ends in New Zealand.

Where an Annual Multi-Trip plan is purchased, you will only have cover for Trips that involve travel to a destination which is more than 250kms from your Home.

If the claim form is not fully completed by you, Allianz Partners cannot process your claim and we can reduce your claim by the amount of prejudice suffered because of the delay.

You must give Allianz Partners any information they reasonably ask for to support your claim at your expense, such as but not limited to police reports, valuations, medical reports, original receipts or proof of ownership. Claims are payable in New Zealand dollars to you

We will pay all claims in New Zealand dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense.

You must not admit fault or liability

In relation to any claim under the policy you must not admit that you are at fault, and you must not offer or promise to pay any money, or become involved in litigation, without the approval of Allianz Partners.

You must help us to recover any money we have paid

If we have a claim against someone in relation to the money we have to pay or have paid under the policy, you must do everything you can to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must inform Allianz Partners of such third party.

If you can claim from anyone else, we will only make up the difference

If you can make a claim against someone in relation to a loss or expense covered under the policy and you do not get paid the full amount of your claim, we will make up the difference. You must claim from them first.

Other insurance

If any loss, damage or liability covered under the policy is covered by another insurance policy, you must give us details of such insurance. We will only make any payment under the policy once the other insurance policy is exhausted. If we have paid your claim in full first, we may seek contribution from your other insurer. You must give us any information we reasonably ask for to help us make a claim from your other insurer.

Subrogation

Allianz Partners may, at their discretion, undertake in your name and on your behalf, control and settlement of proceedings for our own benefit, to recover compensation or secure indemnity from any party in respect of anything covered by the policy.

You are to assist and permit to be done, all acts and things as required by Allianz Partners for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under the policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss.

These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of the policy.

Recovery

Allianz Partners will apply any money they recover from someone else under a right of subrogation in the following order:

1. to Allianz Partners, their administration and legal costs arising from the recovery
2. to us, an amount equal to the amount that we paid to you under the policy
3. to you, your uninsured loss (less your Excess)
4. to you, any Excess

Once we pay your total loss we will keep all money left over. If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

Fraud

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise.

We encourage the community to assist in the prevention of insurance fraud. You can help by reporting insurance fraud by calling Allianz Partners on +61 7 3305 8871. All information will be treated as confidential and protected to the full extent under law.

5. JURISDICTION AND CHOICE OF LAW

6. AUTOMATIC REINSTATEMENT OF SUMS INSURED

If you purchase the Annual Multi-Trip policy, we will reinstate the benefit limits and sub-limits on the completion of each Trip for all Sections except for Section 17 (Personal Liability) – the amount shown in the “Benefits Table” is the most we will pay for all claims combined under Section 17 for the 12 month Period of Insurance).
