Who is the Beneficiary?

The Beneficiary is the person designated as such in the policy.

What risks does the insurance cover, and what is the scope of the insurance protection?

The insured risks and the scope of insurance cover and any exclusions are set out in each policy and the General Terms and Conditions of Insurance. A summary description of the various insurance components is set out below for easier understanding:

– Cancellation costs

Cover extends to the cancellation costs incurred by the insured (up to the maximum sum insured set out in the insurance policy), in the event that the insured cannot travel on the booked trip and so cancels due to severe illness or accident, death, pregnancy complications, severe damage to property at home, delay and failure of the means of transport on arrival, hazards at the travel destination (war, terrorist attacks, civil unrest, natural disasters), strikes, unemployment or unexpected taking up of employment. If the journey is delayed due to an insured event then cover extends to additional travel expenses related to the late departure.

– Assistance

Cover extends to the organization and costs of transporting the insured to the nearest hospital, transportation to a hospital or to his/her place of residence (with or without medical accompaniment), if the insured person during the journey becomes gravely ill or is seriously injured or if there is a medically confirmed, unexpected worsening of a chronic condition. Cover also extends to the organization and costs of the extra return journey of a fellow passenger or a family member due to breaking off the trip, when breaking off the trip is due to illness, accident or death of a closely connected person or the insured's deputy at the workplace who were not travelling with the insured, or due to severe damage to the insured's property at his/her place of residence, or due to civil unrest, terrorist attacks, natural disasters or strikes at the travel destination. In addition cover extends to the organization and costs of repatriation in the event of death. A restricted amount of cover applies to certain benefits

– Flight delay

Cover extends to the expenses incurred for hotel, rebooking or telephoning (up to a maximum of the sum insured set out in the summary of insurance benefits) in the event of missing a connecting flight due to a delay of at least three hours.

– Private Medical

Cover extends to medical expenses (up to a maximum of the sum insured set out in the summary of insurance benefits) for medical treatment necessary in the event of disease or accident suffered by the insured during the trip abroad. This insurance cover shall rank as secondary to the statutory social insurance system (health and accident insurance, etc.) and any other insurance.

– Travel baggage

Cover provides for compensation (up to a maximum of the sum insured set out in the summary of insurance benefits) of property for personal use carried with the insured or entrusted to a transport company that is stolen, damaged or destroyed during the trip, or lost or damaged during transit with a transport company. A restricted amount of cover applies to certain property, events or benefits. In the event of theft a deductible of CHF 200.- shall apply.

– Legal protection

Cover extends (up to a maximum of the sum insured set out in the summary of insurance benefits) to legal protection exclusively in connection with travel outside of Switzerland and the Principality of Liechtenstein.

– Liability insurance

Protects the assets against statutory liability claims by third parties for personal injury and damage to property (up to the maximum amount listed in the insurance benefits summary).

– Golf (optional)

Compensation (up to the maximum insured amount listed in the insurance policy) for golfing equipment, i.e. golf clubs, golf bag, golf trolley and golf shoes, that the insured person brings on the trip for his/her own use, or that was handed to a shipping company for transportation on the trip.

– Surf (optional)

Compensation (up to the maximum insured amount listed in the insurance policy) for surfing equipment, i.e. surfboard, surfing wetsuit, surf shoes, etc., that the insured person brings on the trip for his/her own use, or that was handed to a shipping company for transportation on the trip.

Who are the people covered by the insurance?

The insured individuals are solely those listed in the policy and the General Terms and Conditions of Insurance.

Duration and geographical scope of the insurance cover

Insurance cover is valid worldwide for the period of insurance. This is without prejudice to local restrictions set out in the policy special conditions and relating to individual insurance components as well as to insurance cover that conflicts with economic or trade sanctions or embargoes imposed by the United Nations, the European Union, the United States of America or Switzerland.

What are the important exclusions?

The following list contains only the most significant exclusions to insurance cover. Other exclusions are contained in the exclusion paragraphs ("non-insured events and services") set out in the General Terms and Conditions of Insurance and the VVG:

- There is, as a matter of principle, no insurance cover for any of the insurance components for events that had already occurred at the time of taking out the insurance, or at the time of booking the travel package or at the time of beginning the trip; the same applies to events that were known on taking out cover, on booking the trip or on beginning the trip.*
- There is no insurance cover for events such as the misuse of alcohol, drugs or medicines, suicide or attempted suicide, participation in strikes or civil unrest, races and training with motor vehicles or boats, participation in risky acts, in which the person knowingly runs a risk or engages in grossly negligent or wilful misconduct.*

In addition cover does not extend to the consequences of events involving regulatory decisions, such as confiscation of property, imprisonment, restrictions on leaving the country or closure of airspace.*
- Under the component Cancellation costs there is no insurance cover in particular for "poor healing", etc. i.e. for illnesses or the consequences of an accident, an operation or medical treatment that have already occurred at the time of booking the travel packages or when taking out cover and which have not yet healed on the date of travel. The same applies to cancellation by a tour operator, or administrative orders, or illness/injury that is not confirmed medically at the time of the occurrence or psychological reactions to potential dangers, such as fears of civil unrest, terrorism, natural disasters, or fear of flying.*

II Special provisions relating to the individual components of insurance

A Cancellation costs

1 Scope in terms of time

Insurance protection begins on the day on which the insurance policy is issued, and ends when the insured trip begins. The beginning of the trip is taken as the time the insured person enters the booked means of transport, or the booked accommodation (hotel, holiday home, etc.), if no means of transport has been booked.

2 Sums insured

The sum insured is shown on the insurance policy.

3 Insurance services

3.1 Cancellation costs

If the insured person cancels the contract with the travel company as a result of an insured event, AGA will pay the contractually owed cancellation costs, up to the amount of the agreed sum insured. Costs charged to the insured person for transfers made following the cancellation of services will be covered only if the transfer concerned is due to an insured event in accordance with paragraph II A 4. No compensation will be paid for costs, charges or a reduction in credit in connection with the loss or lapse of Air Miles, prize winnings or other usage rights (time-sharing, etc.).

3.2 Delay to start of trip

If the insured person suffers a delay to the start of the trip as a result of an insured event, AGA will pay the following costs instead of the costs of cancellation (up to a maximum of the level of the cost of a cancellation):

- the additional travel costs arising in relation to the delayed departure.
- the cost of the unused part of the stay, proportionally to the insured package price (excluding transport). The date of departure is regarded as a used day of the package.

3.3 The expenses of disproportional or repeated administrative costs or for the insurance premium will not be reimbursed.

4 Insured events

4.1 Illness, injury, death and pregnancy

4.1.1 Severe illness, severe injury, complications of pregnancy or death of the following persons (in so far as the relevant event has arisen after the time of booking or taking out insurance)

- the insured person;
- a person travelling with the insured person, who has booked the same trip and has cancelled it;
- a person travelling with the insured person, who has booked the same trip and has cancelled it;
- a person who is closely connected to the insured person, but who is not travelling with the insured person;
- a person deputising for the insured person at his/her place of work, if the presence of the insured person is indispensable.

If several insured persons have booked the same journey then a maximum of six persons may cancel in the event an insured person travelling with them has to cancel due to one of the above-mentioned events.

4.1.2 Cover for psychological illness only applies as and when:

- the inability to travel and work is certified by a psychiatrist, and
- the inability to work is proven by providing a confirmation of absence from the employer.

4.1.3 In the event of chronic illness, insurance protection only applies if the trip has to be cancelled as a result of an unexpected acute worsening, as certified by a doctor. It is a prerequisite that the state of health of the insured person was stable and that the person was evidently fit to travel at the time of booking or conclusion of insurance contract.

4.1.4 In the event of pregnancy, insurance protection only applies if the pregnancy occurred after the time of booking the trip or conclusion of insurance contract, and if the date of return is after the 24th week of pregnancy, or if the pregnancy has occurred after the time of booking the trip or conclusion of insurance contract, and a vaccination that would present a risk to the unborn child is recommended for the destination of travel.

4.2 Delay and failure of the means of transport for the outward journey

If it becomes impossible to start the booked trip as a result of a delay or failure of the means of public transport used on the outward journey to reach the point of departure anticipated in the travel package.

4.3 Failure of the vehicle on the outward journey

If the private vehicle or taxi becomes undriveable during the direct trip to the point of departure anticipated in the travel package, as a result of an accident or breakdown. Problems with keys and fuel are not covered by insurance.

5 Non-insured events and benefits (as a supplement to Paragraph I5: Non-Insured events and benefits)

5.1 Poor course of recovery

If an illness or the consequence of an accident, an operation or a medical intervention already exists at the time of booking the trip or conclusion of insurance contract, and recovery is not complete by the date of travel. If recovery from the consequences of an operation/medical intervention already planned at the time of booking the trip or conclusion of insurance contract, but not undertaken until afterwards, is not complete by the date of travel.

5.2 An insured event that has not been established and certified by a doctor immediately before starting the trip

If an event listed under paragraph II A 4.1 has not been determined and certified by a doctor's certificate mentioning the diagnosis, immediately before starting the trip.

5.3 Cancellation by the travel company

If the travel company cannot fulfil the contractual benefits in full or in part, or cancels the trip, or has to cancel as a result of the actual circumstances, and has to reimburse the costs of benefits not provided on statutory grounds. The actual circumstances, as a result of which the trip would have to be cancelled, would include advice from the Federal Department of Foreign Affairs (DFA) against travel to the affected area.

5.4 Official directives

If official directives make it impossible to carry out the booked trip according to plan.

5.5 Cancellation costs are not insured if the circumstances point to the fact that cancellation is the result of a psychological reaction to a health hazard, a terrorist act, an aircraft accident or a natural disaster or is due to the fear of unrest, war, acts of terrorism or is a result of the fear of flying.

6 Obligations in the event of loss/damage (as a supplement to Paragraph I 3: Obligations in the event of loss/damage)

In order to be able to call upon the AGA benefits, the insured or the person with the entitlement to claim must cancel the booked trip with the travel company or the person who is renting immediately upon the occurrence of the insured event, and then notify AGA of the loss/damage in writing (see paragraph I 12).
